VANCOUVER - Speak English Now!

UPP University Pathway Program

Program Information:

What is the UPP University Pathway Program?

It's a language program that will allow you to learn English and acquire all the necessary skills to be accepted and succeed in a university or college.
You can trust inlingua Vancouver!

Why should I study the UPP at inlingua Vancouver?

- Our University Pathway program is effective.
- It will transfer you to a university or college in Canada or USA.
- You will reach your academic goals in less time.
- You have a better chance to obtain the Canadian visa
- We help you and you receive great service

How long will the UPP program be?

The total duration of your UPP program will be maximum 44 weeks for an absolute beginner. Of course, you will study hard and you need to come to school every day. You are the key to your success!
The minimum duration will be 12 weeks if you are already at the advanced level.

Please take our online placement test to determine your level and we will help you plan your UPP program at: www.i-e-learn.com or www.inlinguavancouver.com/registration/placement_tests

For a graphic explanation, please see the table on the next spread.

VANCOUVER - Speak English Now!

UPP University Pathway Program

Program Information:

What will I study in the UPP program ?

It depends on your level of English at the moment you start at inlingua Vancouver.

If your level of English is already Advanced: You will take the UPC University Preparation Course for 12 weeks.

If your level is not Advanced yet: You will fist take any of the University Foundation Courses we offer:

General English courses: All levels, from beginner to advanced. We offer a total of 10 levels. Each level lasts 4 weeks.
Test preparation courses: For upper intermediate and advanced levels. These include IELTS, TOEFL, CAMBRIDGE FCE and CAMBRIDGE CAE.

You need to reach the advanced level before starting the UPC University Preparation Course. At inlingua Vancouver, it means you need to complete one of the following courses: Level 4B, IELTS 6.5, TOEFL, CAMBRIDGE CAE

What are the advantages of the inlingua UPP University Pathway Program?

UPP - IT WORKS:

You will Learn English - High quality and effective courses
You will Speak English - We enforce our English Only Policy. You will use English every day, inside and outside the classroom.
Fast - Our courses are intensive and super intensive
Opportunities and attention - Our groups are smaller, average 12, maximum 15 students
Basic skills - You will learn the 4 integrated skills: speaking , listening, reading and writing
More skills - You will learn Academic English skills (lecture comprehension, note-taking, research, academic discussions, academic vocabulary and more)
Success - You will get ready for academic success in university / college

UPP - IT OPENS DOORS:

Direct transfer - Transfer to all the universities and colleges we partner with in Canada and USA
No exams - You don't need to take the IELTS, TOEFL or other tests to gain acceptance at the university or college
UPP - It saves time:
Save Time - You will reach the University Proficiency Level in less time
From 12 to 44 weeks - An absolute beginner student will complete all required courses and gain acceptance to university or college in 44 weeks. An advanced student will do it in 12 weeks
Short sessions - Our sessions are 4 weeks long. If you needed to repeat a level, you would catch up soon
Flexibility - Weekly start dates. Begin your program when you are ready

UPP - MORE SAVINGS:

Best Value - Do the math and you will realize that learning English at inlingua Vancouver is the best value
Save in your Accommodation costs - A shorter course means lower accommodation costs
Free Academic and Cultural Counselling

UPP - CANADIAN VISA:

Longer Visa - The combined letters of acceptance from inlingua Vancouver and the university / college allows for a much longer study permit
Increase your chances - It proves your intentions to study and increases your chance to obtain a study permit (visa)

UPP - GREAT SERVICE:

Expert - You receive academic counselling from our expert counsellors
Languages - We can help you in many different languages
Suggestions - We recommend the courses you can take during your program
Options - We support you with information about all the universities / colleges and programs you can study after inlingua
Support - We support you processing applications to universities / colleges
Unique experience - Enjoy the inlingua student life. International friends, activities, accommodation, cultural events, sports and much more

VANCOUVER - Speak English Now!

UPP University Pathway Program

inlingua®
VANCOUVER - Speak English Now!

UPP University Pathway Program

Application Process:

STEP ONE
On the school application form: Please choose UPP University Pathway Program.

STEP TWO
Take our online placement test to calculate how many weeks of study it will take you to complete the UPP University Pathway Program.
http://www.inlinguavancouver.com/registration/placement_tests/

STEP THREE
Talk to one of our Pathway Coordinators and select one of our partner universities / colleges.

STEP FOUR
Complete and send an application form to the university / college you selected and include all additional documents. We will help you to collect your documents, review your application and help you apply.

STEP FIVE
Process your payment to inlingua Vancouver and to the university / college you selected.

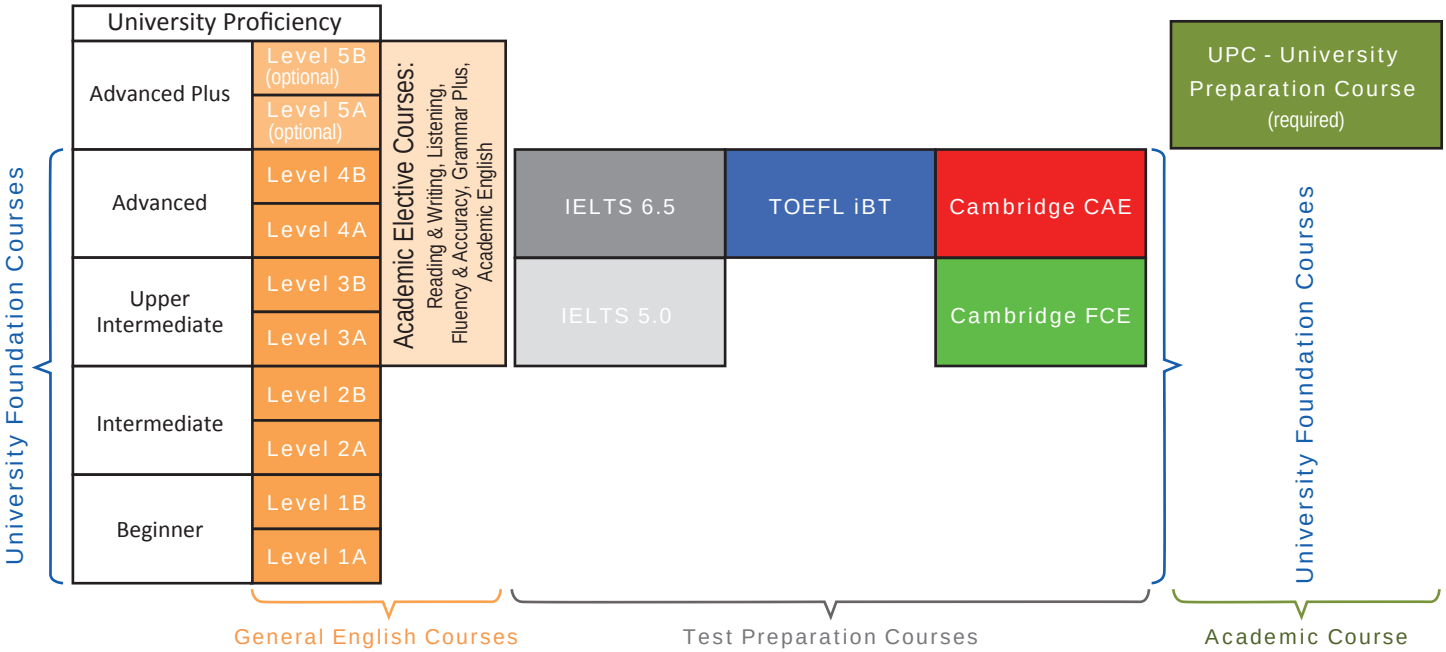

STEP SIX
Receive 2 letters of acceptance. One from inlingua Vancouver and a second one, a conditional letter from the university / college you selected.

STEP SEVEN
Apply for your study permit.

NOTES:

- Minimum scores vary by institution
- Agreements and payment requirements vary depending on the university or college
- Some inlingua Vancouver partners accept our courses instead of TOEFL or IELTS requirements. Others will still require the official tests but will reserve a space for you until you become proficient.

UNIVERSITY of Prince Edward ISLAND

First, study English at inlingua, then transfer to University of Prince Edward Island and get your degree

The University of Prince Edward Island, founded on the tradition of liberal education, exists to encourage and assist people to acquire the skills, knowledge, and understanding necessary for critical and creative thinking, and thus prepare them to contribute to their own betterment and that of society through the development of their full potential. To accomplish these ends, the University is a community of scholars whose primary tasks are to teach and to learn, to engage in scholarship and research, and to offer service for the benefit of our Island and beyond.

UPEI's four faculties (arts, education, science, and veterinary medicine) and two schools (business and nursing) offer a wide range of programs and degrees to over 4,400 undergraduate, graduate and doctoral students.

UPEI honours this proud legacy through a growing reputation for research innovation and academic excellence.

VANCOUVER - Speak English Now!

FAIRLEIGH DICKINSON UNIVERSITY
FDU-Vancouver

First, study English at inlingua, then transfer to Fairleigh Dickinson University and get your degree

FDU-Vancouver offers undergraduate students one of the few opportunities to earn an American college degree while studying in Canada. FDU-Vancouver welcomes students from around the world to create a culturally diverse learning environment.

Fairleigh Dickinson University is a center of academic excellence dedicated to the preparation of world citizens through global education. The University strives to provide students with the multidisciplinary, intercultural and ethical understandings necessary to participate, lead and prosper in the global marketplace of ideas, commerce and culture.

Founded in 1942, FDU is New Jersey's largest private University, serving nearly 12,000 graduate and undergraduate students, including more than 1,000 international students from around the world. The University's two U.S. campuses are in northern New Jersey, near New York City. In addition to FDU-Vancouver, the University owns and operates a campus in Wroxton, England.

The term "university" is used under the written consent of the British Columbia Ministry of Advanced Education effective May 8, 2006, having undergone a quality assessment process and been found to meet the criteria established by the ministry. Fairleigh Dickinson University is the first non-Canadian institution to gain approval under the stringent standards adopted by British Columbia in 2003.
